

# Uniwell Lynx

## Export to Xero Add-On

---

Export sales and/or purchases from Uniwell Lynx for import into Xero online accounting software ...

---

### Minimal Setup Required

- Link your tax codes to Xero
  - Link your Sales Terminals to Xero customers
  - Assign Xero sales and purchase accounts to your groups
  - Select a default folder for Xero export files
  - Link a Xero freight account if required
- 

### Easy to Use

- Simple grid format allows easy selection of sales or purchases for export
- Process multiple sales batches in a single sales export
- Process multiple stock purchases in a single purchases export
- Sales and purchases exported by groups for simple analysis in Xero
- Each sales batch exported will produce a sales invoice in Xero
- Each stock purchase exported will produce a purchase invoice in Xero
- Export files produced in a CSV format ready for importing into Xero
