

Uniwell Lynx

Labour Cost Reporting Add-On

Improve the profitability of your business by analysing your labour costs compared with your sales on an hour by hour basis ...

Easy to Setup and Use

- Setup your Clerks and assign them to 'Back of House' or 'Front of House'
- Enter Wage Rates by Job Code
- Use the Clock In/Out feature of your Uniwell terminals to assign job codes and track hours worked

Hourly Labour Cost Report

- Compare your labour costs with your sales by hour by day
- Includes turnover, number of staff, total hours worked, labour cost and labour cost as a percentage of turnover
- Use the date range selection to filter your report
- Group or filter by Location (requires Multi-Location module)
- Summary option available to show totals by day only
- Use the Saved Reports to Scheduled Jobs features of Uniwell Lynx to have your Hourly Labour Cost report automatically sent to your email or cloud drive
